Cats that are boarded must be vaccinated for Feline Distemper within the last year. Proof of vaccination status is required. We also recommend a Rabies vaccination as required by Arkansas state law. Cats are fed Science Diet Maintenance dry food during their stay. If your cat has special nutritional needs, please consult with our receptionists. **DAILY MEDICATIONS IF NEEDED WILL BE GIVEN AT A NOMINAL COST.**

Boarding can be a stressful time for your pet. Gastrointestinal upsets or other problems can occur. If your pet should have a problem while boarding, **your pet will be treated at the doctor's discretion.** If you mark yes on insurance policy below, the cost will help cover these charges:
